

PROCESSING FEES

Custom Processing at Deerview Meats is all about quality.

Deerview Meats is a AAA meat plant, amongst the top meat facilities in the province and is committed to providing superior custom-processing services. With extensive staff experience in the meat cutting industry, you can be assured that all meats are cut to the highest of meat cutting standards.

Benefits of Deerview Processing:

- Provincially inspected, natural aging process.
- Gluten free processing, no preservatives, fillers, or MSG.
- Extensive animal/meat tracking system.
- Yield testing calculated on all beef.
- No mixing of batches, each animal processed individually.
- Animals processed in low stress, humane environment.
