Fundraiser Guidelines

1. The school or fundraising organization will receive 40% of all sales collected.
2. It is the chairperson's responsibility to tally all of the individual sales sheets and transfer information on to the master sales sheet. Copies of the master sales sheets and order forms should be made and remain with the fundraising organization. Originals will be submitted to Deerview Meats for processing.
3. Cheques should be made payable to the fundraising organization. Once all monies are collected, the fundraising organization will make one cheque payable to Deerview Meats for 60% of total funds collected and submit along with original order forms. No GST or delivery charges apply to orders.
4. Orders will be delivered to one location and product will be delivered within 2 weeks of submission of all fundraiser forms to Deerview Meats. Please note that orders with a total value of over \$5000 will need additional time to be assembled so please contact Deerview Meats to make arrangements.
5. Product delivery time will be set in advance. Product will be delivered frozen and it is recommended that orders be picked up the same day (within 2 hours of delivery or alternatively refrigerated until time of pick-up).
6. All orders will be sorted and labelled with customers name and copy of order.
7. All sausages are pre-cooked and all packages are labelled with product ingredients.

Please Note: Due to the high volume of fundraisers processed, Deerview Meats sets limits to total the number of fundraisers it will run at any given time, as well as restrictions to certain months of the year. It is recommended that you contact Deerview Meats prior to planning your fundraiser to discuss the optimum time frame.
